There will be a free, public exhibition of member vehicles on Saturday, June 10, from 9 am to 4 pm.

Member vehicles from Wisconsin, Michigan, Colorado and California are scheduled to be exhibited. They join the 28 Kissel vehicles on display at the Wisconsin Automotive Museum. This represents the largest collection of surviving Kissel vehicles anywhere in the world.

For this event, we are celebrating the company's redesigned cars for 1929. The Kissel Motor Car Company marketed their automobiles as *KisselKars* for 1906-1918, as *Kissels* for 1918-1928, and as *Kissel White Eagles* for 1929-1931.

There is a nominal admission charge to view the items on display inside the Wisconsin Automotive Museum.
