

New Location!

Hartford Cruise Nights

This summer, bring your classic car, street rod, truck, street machine (or whatever your favorite cruiser is) to the Wisconsin Automotive Museum parking lot for cruise nights on **Thursday nights** (5:00 pm to ??, weather permitting) during **May through September**.

Starting **June 8th**, and continuing through **August**, food trucks will be available. Also during that time there will be live music in the courtyard.

Everyone is welcome to join in an informal get-together to meet new friends, swap ideas and stories, etc. If you don't have a "cruiser," come anyway and join the fun!

For information contact: Randy Baumann (262) 370-4632 or randy74@charter.net (please list "Cruise Night" in the subject line).
